Boiler Affidavit Instructions

Affidavits must be filled out by your previous employers and/or your current employer, indicating the amount of time served as an operating engineer, as defined in Minnesota Rules, Chapter 5225, or see License Classification handout.

MINNESOTA RESIDENTS MAY ONLY CLAIM OPERATING EXPERIENCE GAINED WHILE THE APPLICANT HAD A VALID LICENSE

Military or Maritime service does not require the completion of an affidavit. You may submit your DD214(s) or documentation from military or maritime service verifying actual operating experience. For additional information regarding military or maritime documented experience, please contact our office at (651) 284-5059.

The original affidavit(s) must be fully completed in ink, notarized and returned to our office with the appropriate fees and application within 15 calendar days prior to either exam choice. The applicant should retain a copy for his/her personal records.

There will be no refund of fees paid, so be sure that your affidavit(s) are complete and specific in showing your actual boiler operating experience. No credit can be given for the time that is not verified by your affidavit(s). Affidavit(s) must cover the minimum time requirement.

Applicants who reapply must pay the application fee each time an application is submitted.

Example of an entry on a boiler affidavit in which the applicant would be qualified to take a 1C examination:

STEAM BOILER PLANT

Total Horsepower	Maximum Working Pressure (psi)	Month	From Day	Year	Month	To Day	Year

NOTES:

1. Do not use manufacturers horsepower ratings. For licensing purposes, 10 square feet of heating surface (H.S.) = One Boiler Horsepower, or if H.S. cannot be discerned, 67,000 btu/hr input = One Boiler Horsepower. Referenced in Minnesota Rule 5225.1000.
2. For high pressure A or B license, one year is equal to 2000 hours. For low pressure heating boilers a year is defined as a 12 month period which includes the heating season operating, and the remainder of the year maintaining, the low pressure boiler. Reference in Minnesota Rule 5225.1000, Subp. 10.
3. For Hobby boiler/Steamboat affidavit(s), an applicant must have at least 25 hours on a steam traction engine or hobby boiler under the supervision of an operating engineer.
4. For Master affidavit(s) an applicant must have at least 15 hours on a boat for hire under the supervision of a licensed master.
5. **MINNESOTA RESIDENTS MAY ONLY CLAIM OPERATING EXPERIENCE GAINED WHILE THE APPLICANT HAD A VALID LICENSE.**
